

A Reflection On Living With Questions

Rainer Maria Rilke

Have patience with everything unresolved
in your heart
And try to love the questions themselves.
Don't search for the answers,
Which could not be given to you now,
because you would not be able to live them.
And the point is to live everything.
Live the questions now.
Then, perhaps, some day, far in the future,
you will gradually,
without even noticing it,
live your way into the answer
